PORTUGAL

15th March, 2016

Dear Joaquim,

It is my pleasure on behalf of the Department of Mathematics and Statistics at Strathclyde to invite you to visit us during the period 16th April to 23rd April 2016. You will have an opportunity to give a talk at the Applied Analysis seminar. I look forward to hosting you, showing you Glasgow, and collaborating with you on conservation laws with saturating flux.

Best wishes,

Michael Grinfeld, Reader,
Department of Mathematics and Statistics
